

UNITED STATES GOVERNMENT

**SECRET**

*Memorandum*  
25X1A

TO :

[redacted]

DATE: 13 July 1965

FROM : DAD/S&D

SUBJECT:

I am very concerned about our getting very deep into a simulation program at GD where the simulation equipment may be more than the actual environment involved. I note for example that Tasks, 1, 2, and 3 total [redacted] Task 4 is nearly [redacted]. The total OEL funding is [redacted] program.

25X1A

25X1A

I would like for this program along with other simulation, etc., programs to have the benefit of your close scrutiny. The question in my mind is, is this worthwhile doing and is it the right way to do it?
